

# Sergii Gutsuliak

## Frontend Software Engineer

📍 Poland, Dzierzoniow

### Profile

An aspiring web developer with HTML, CSS and JavaScript skills. I have experience in web development, I have worked with React library and MySQL databases, MongoDB. Also, my projects include the creation of WordPress websites using themes and plugins. I am a responsible, hardworking and sociable person who is ready to grow as a software developer and learn new technologies.

### Previous Experience

September 2022 - Present
